#### **Teens today ... in the UK**

«I think it's totally *unfair* to label today's teenagers as 'the square-eyed generation'. Sure, I like to *unwind* on a Friday night with a good film, but one of my favourite things to do is go dancing at the famous club 'Ministry of Sound'. *You can't just beat the atmosphere* when the music's *blaring* and everybody's dancing!»  
*Suzy, 18*

## Teens today ... in Japan

«I have my own TV in my room, but my favourite thing to do is to go out to karaoke with my friends. Most Japanese teenagers love karaoke. We rent a special room where we can *sing along* to all the latest music. *It's such a good laugh!*»  
*Yoko, 17*

## Teens today ... in Russia

«*I have to admit* that I'm a bit of a video game *addict*. The graphics are *incredible* these days! I also like going to *malls* with my friends. I think it's the best place to see and be seen, not just a place to spend money as many say.»  
*Anya, 18*

## Teens today ... in Mexico

«To be honest, a lot of Mexican teenagers do spend too much time watching TV. Teenage soap operas or 'telenovels' like 'Rebelde' have become really popular in recent years. The theme tunes in particular are usually really *catchy!* Members of the cast from these soaps sometimes even go on to record albums and become music stars!»  
*Maria, 15*
