How are you?

I live in a beautiful neighbourhood. There are a lot of shops and cafes around there. There's a post office right next to the bank. Opposite the bank, there's the newsagent's. There is also a supermarket opposite the post office and a bus station in front of the supermarket. Next to it there's the chemist's. Behind it, there is a library. Opposite the chemist's, there's my favourite coffee shop! I like my neighbourhood a lot!

Dear Mary,

How are you?

I live in a wonderful neighbourhood. There are lots of shops near my house. There is also a huge park there. I go for a walk with my friends there. It's so good to run and play there! There's a pet shop next to my favourite toy shop. My school is near my house. Opposite the school, there is a library. I sometimes go there. Next to it, there's a supermarket. There are so many things there!

There are lots of interesting places to see in my neighbourhood.

I like it a lot.

Yours,

Christina
